

TALLER DE SELECTORES

RESPONSABLE: JULIO ELIAS VASQUEZ ROJAS

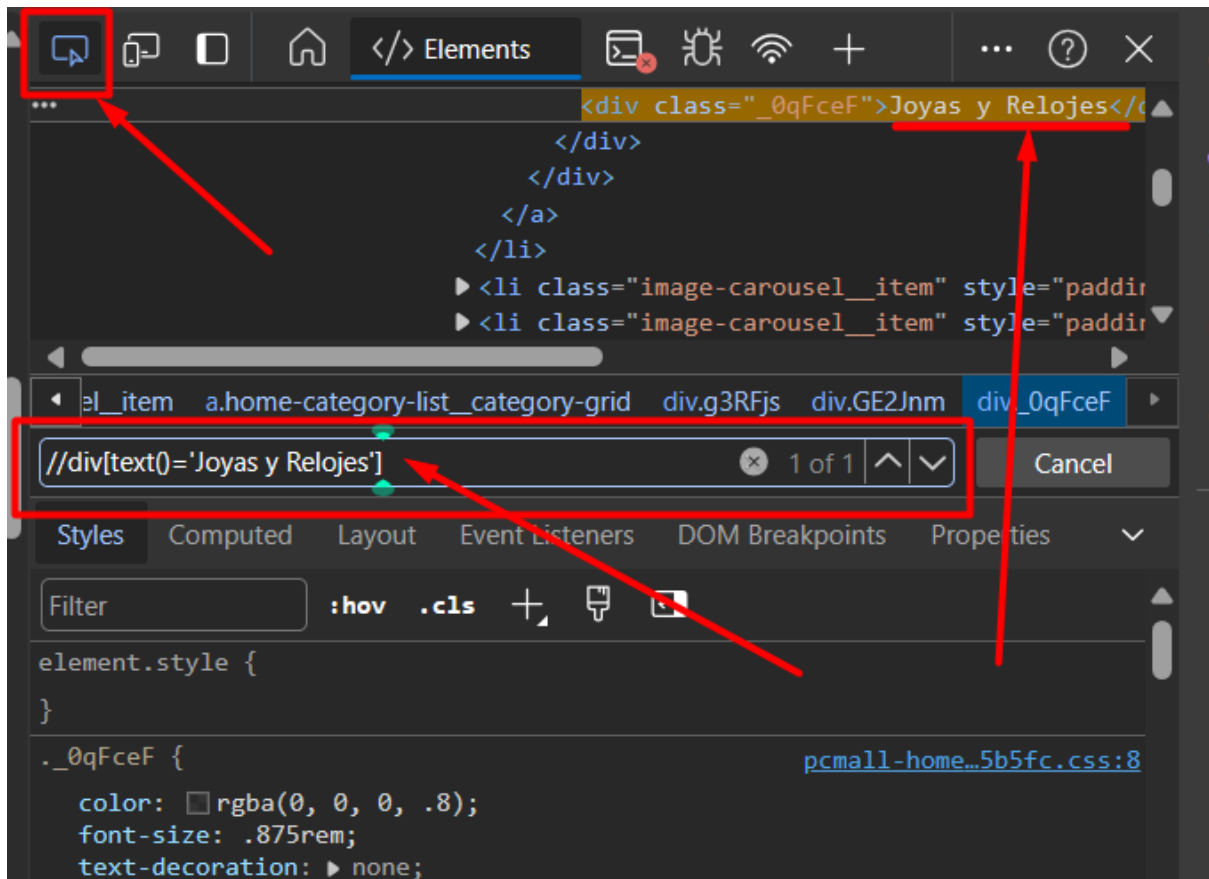

1. Seleccionar a través de un parámetro cualquiera de las categorías por su nombre.

Para este procedimiento primeramente se busca con el inspector del navegador Edge, Las categorías a seleccionar para filtrar el elemento por el cual se va a buscar e identificar.

SHOPEE

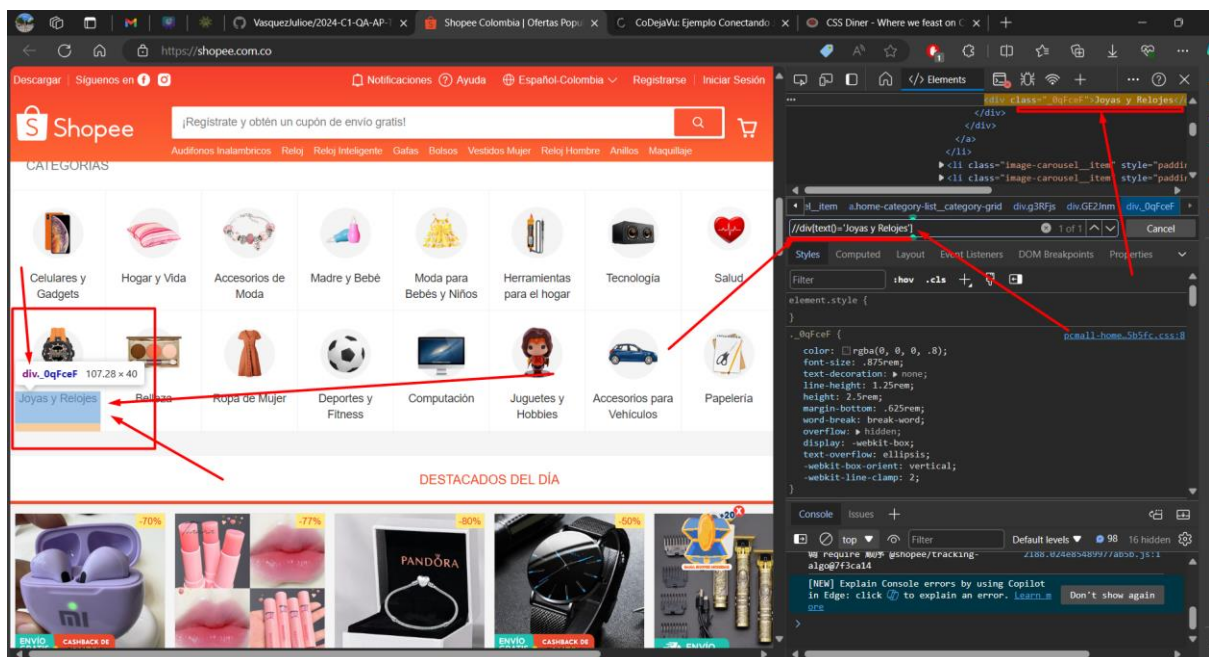

Posteriormente después de haber identificado el elemento, se utiliza CTRL+F para ingresar El selector y verificar que seleccione solo un elemento por el nombre

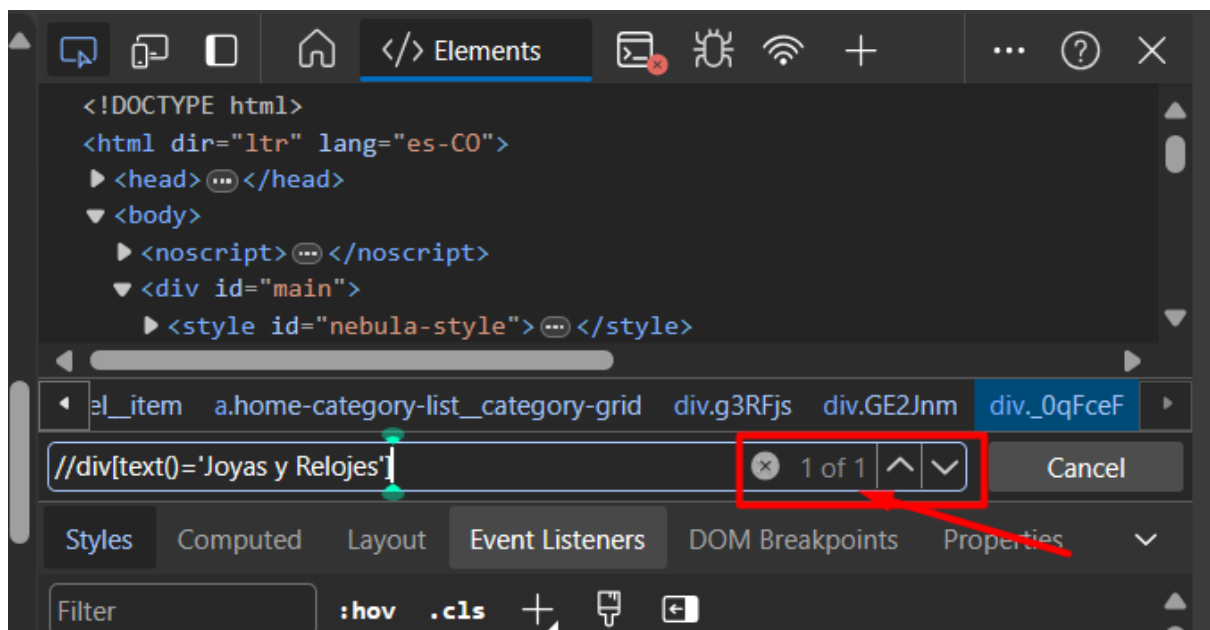

Luego se puede visualizar en el navegador el elemento seleccionado.

`//div[text()='Joyas y Relojes']`

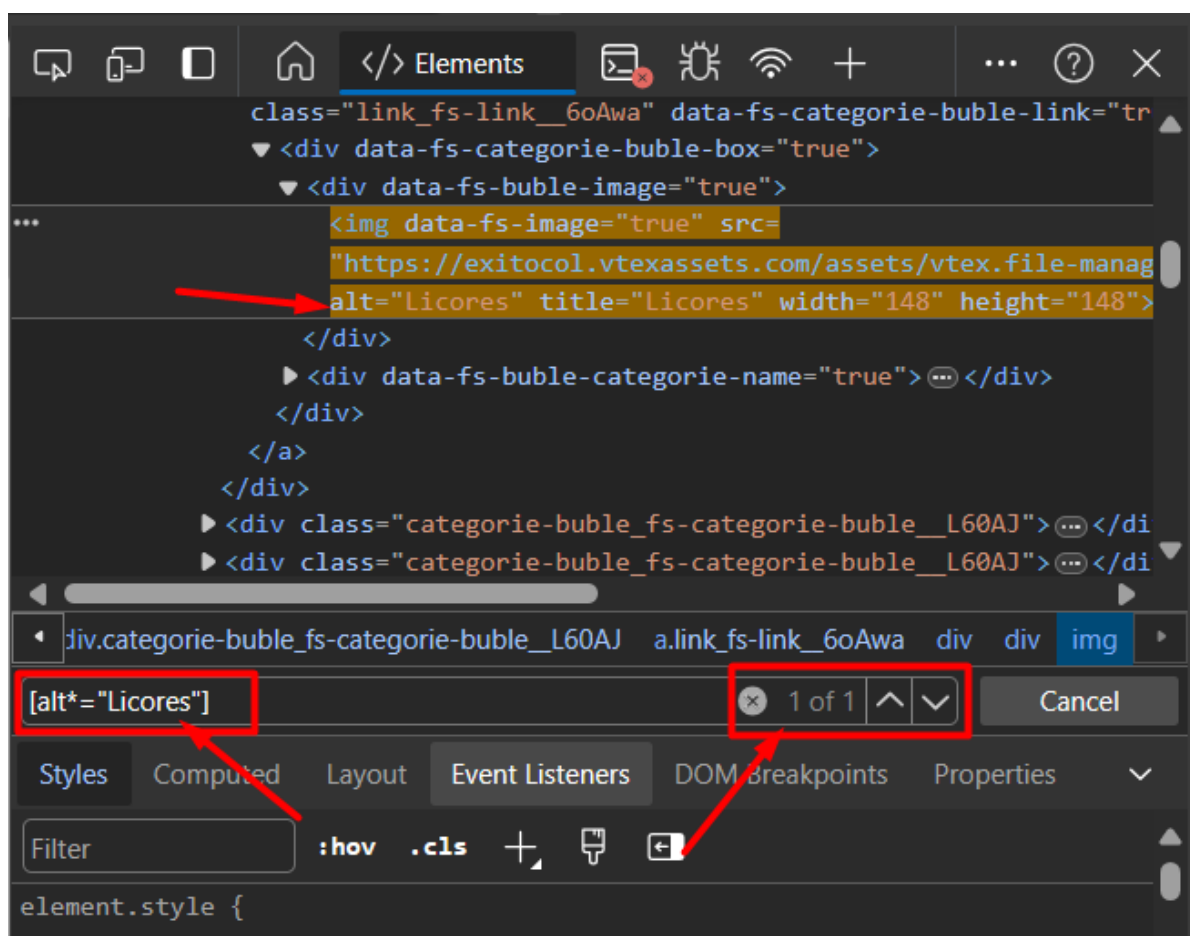

En los resultados se puede validar que el resultado es un único elemento encontrado.

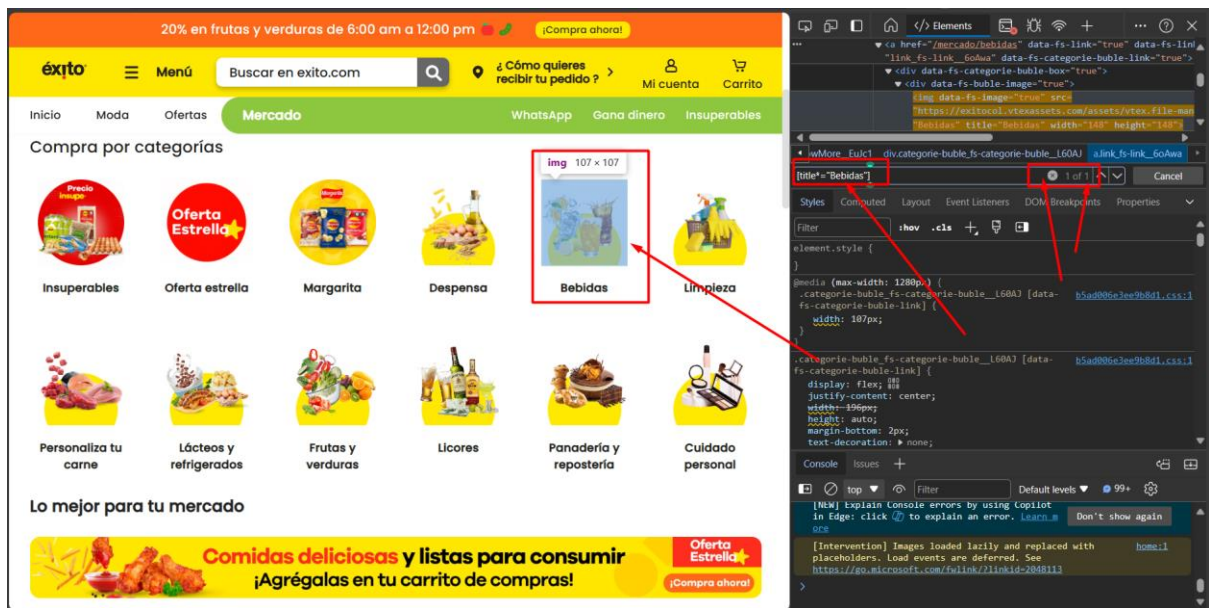

ÉXITO

Realizamos el mismo procedimiento en el éxito

ÉXITO

The image shows a mobile application interface on the left and a web browser developer tools window on the right. The app interface features a yellow header with navigation links: '¿Cómo quieres recibir tu pedido?', 'Mi cuenta', and 'Carrito'. Below the header, a section titled 'Vendido por: Exito' displays pricing information: a 72% discount from \$1,899,900 to \$513,000, with a total of \$609,900 including shipping. A button 'Ver otros vendedores desde \$619.900' is present. Below this, a section 'Conoce las fechas y costos de entrega' shows delivery options: 'Enviado por exito' and 'Compra y recoge sin costo'. A tooltip points to a button with the text 'div.QuantitySelectorDefault_custom-quantity-selector_selector_info_6M6Yp' and dimensions '37.8 x 16.1'. The developer tools window on the right shows the 'Elements' panel with a tree view of the DOM. A red arrow points from the button in the app to the corresponding element in the DOM tree. The 'Styles' panel shows the default styles for the selected element. The 'Console' panel shows a message from Google Ads: 'https://googleads.g.doubleclick.net/pagead/id net::ERR_BLOCKED_BY_CLIENT'. The browser address bar shows 'www-embed-player.js:913'.
