

TALLER DE SELECTORES

RESPONSABLE: JULIO ELIAS VASQUEZ ROJAS

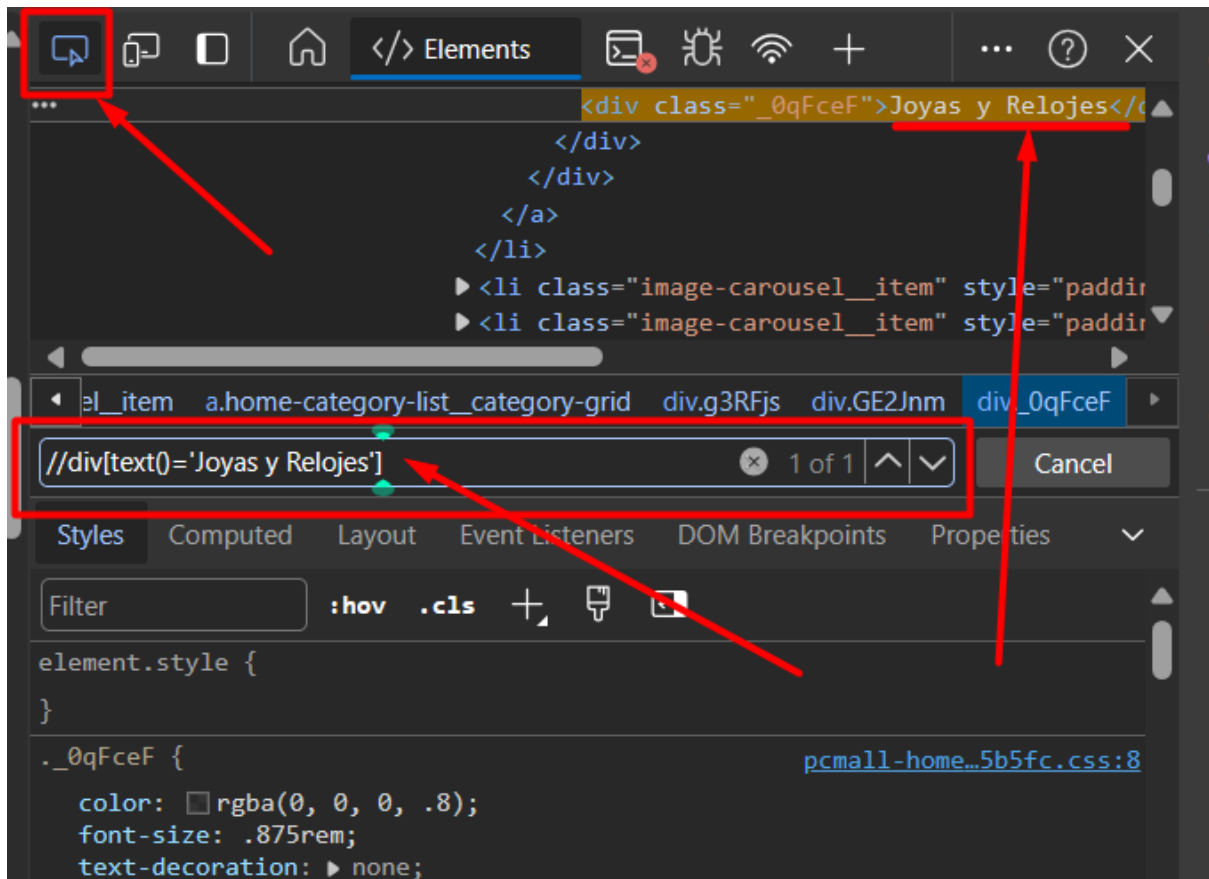

1. Seleccionar a través de un parámetro cualquiera de las categorías por su nombre.

Para este procedimiento primeramente se busca con el inspector del navegador Edge, Las categorías a seleccionar para filtrar el elemento por el cual se va a buscar e identificar.

SHOPEE

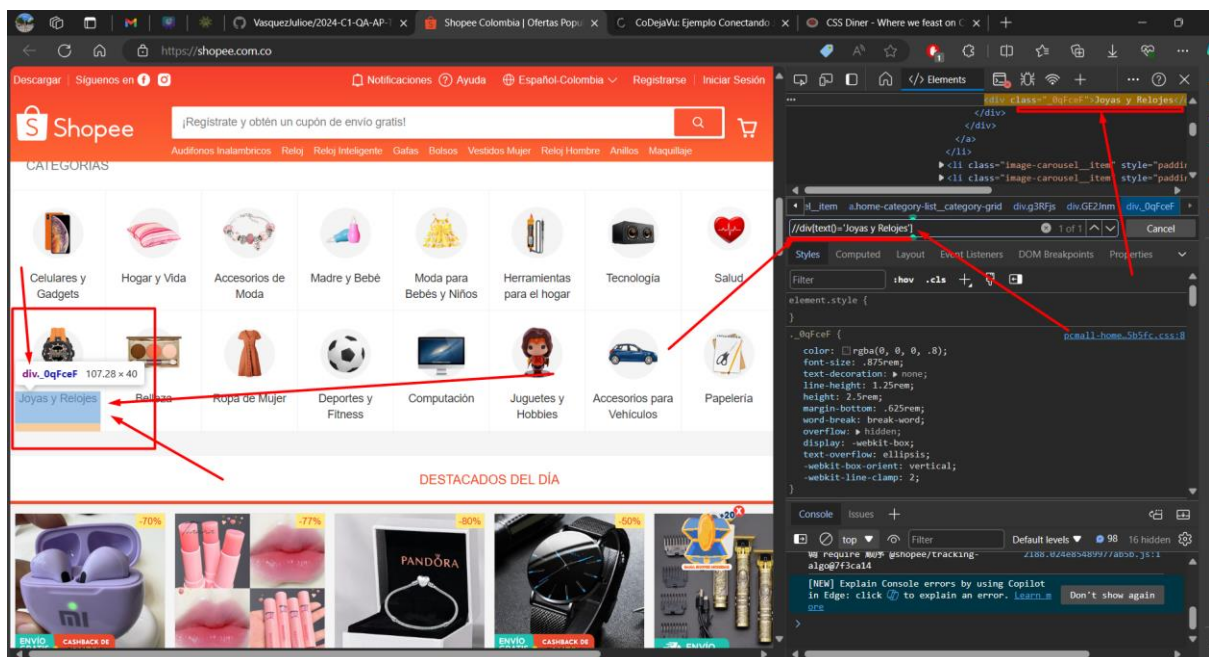

Posteriormente después de haber identificado el elemento, se utiliza CTRL+F para ingresar El selector y verificar que seleccione solo un elemento por el nombre

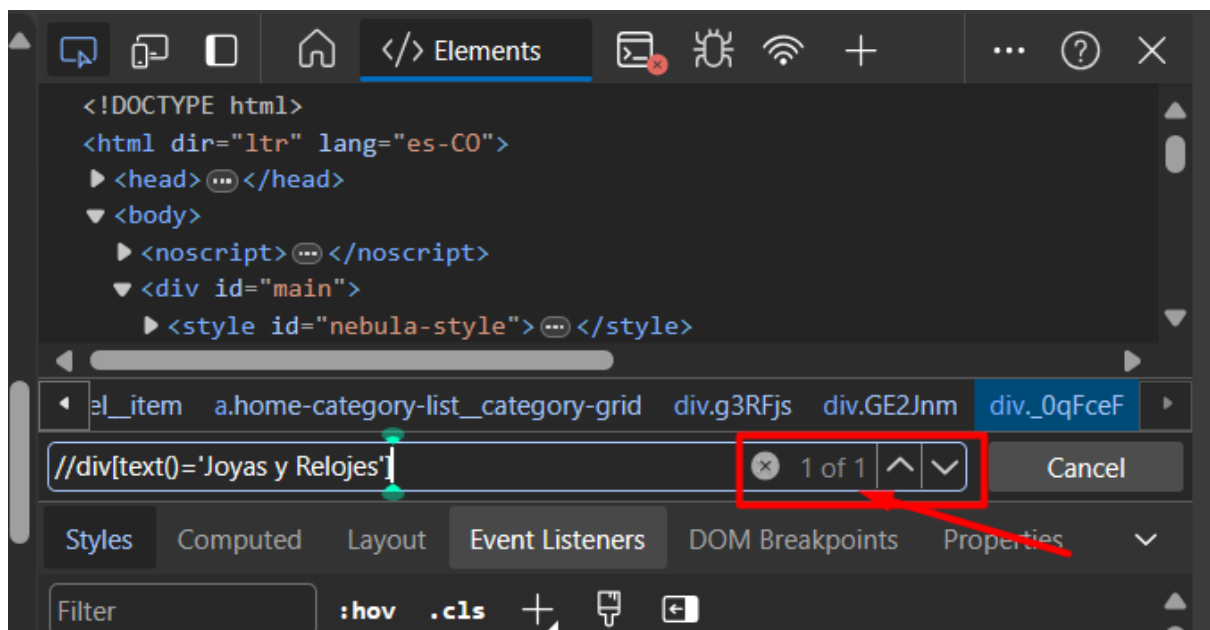

Luego se puede visualizar en el navegador el elemento seleccionado.

`//div[text()='Joyas y Relojes']`

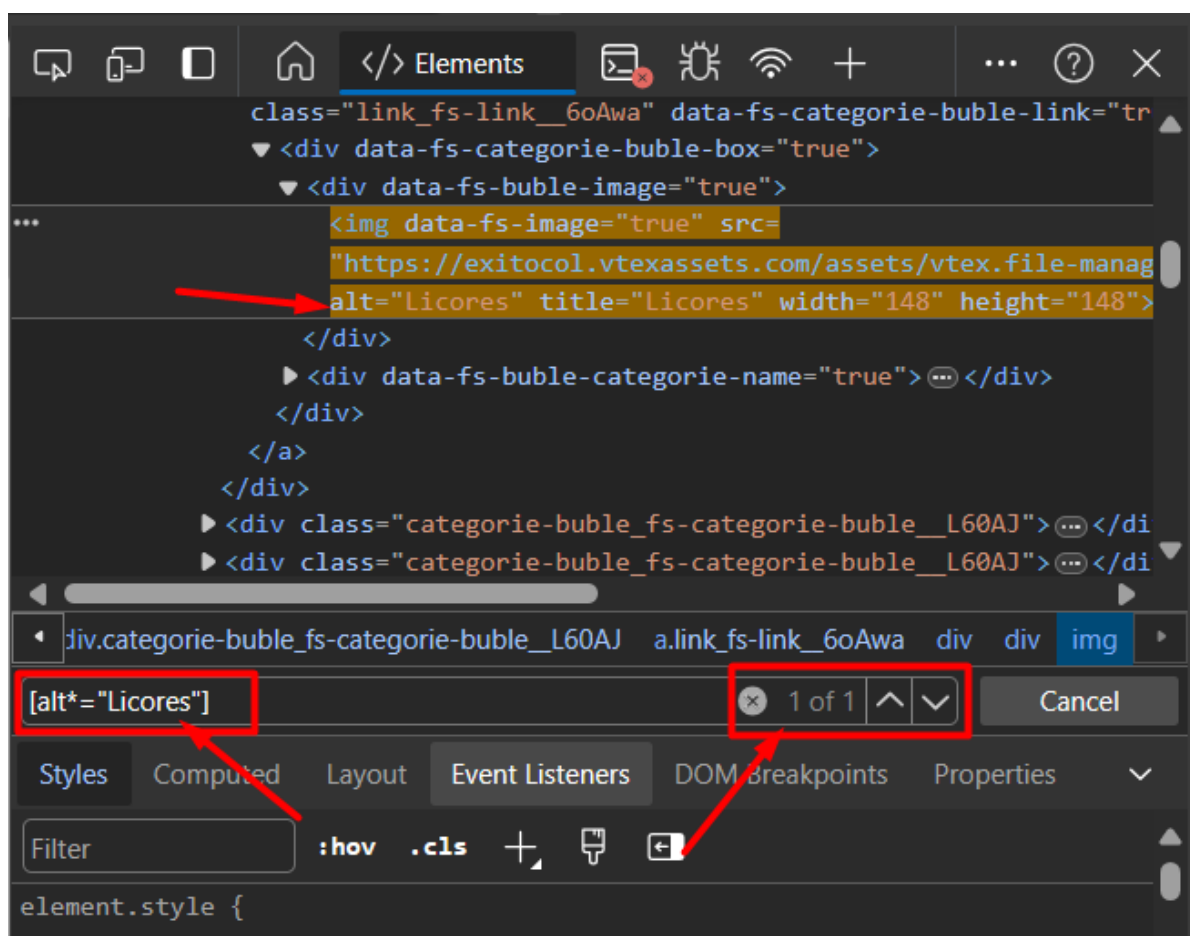

En los resultados se puede validar que el resultado es un único elemento encontrado.

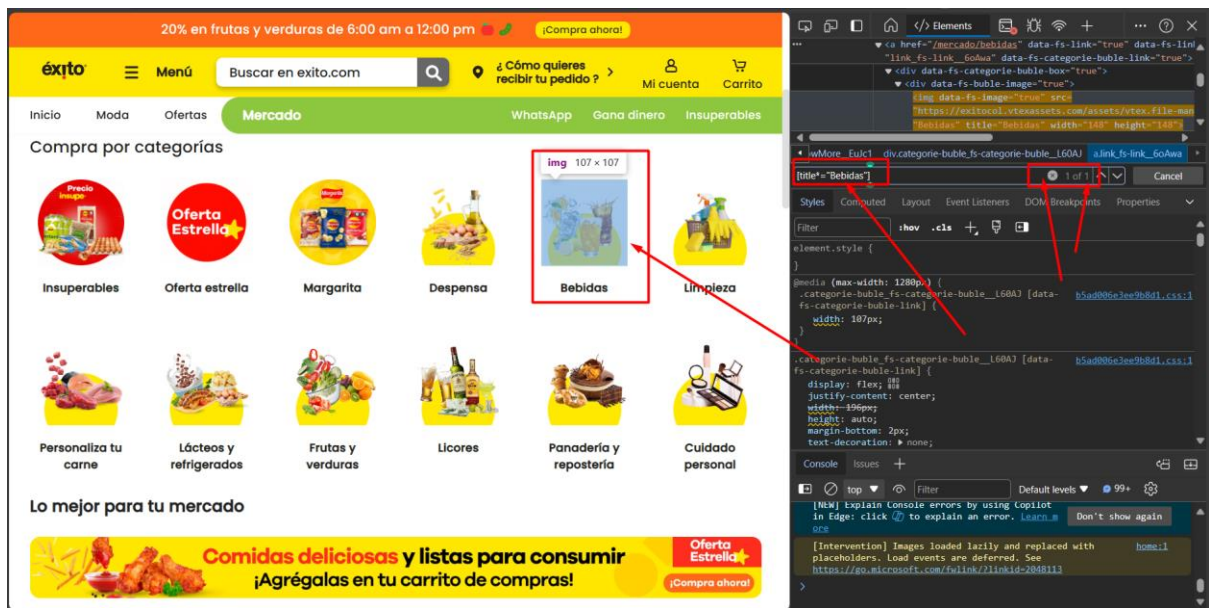

ÉXITO

Realizamos el mismo procedimiento en el éxito

[alt*="Licores"]

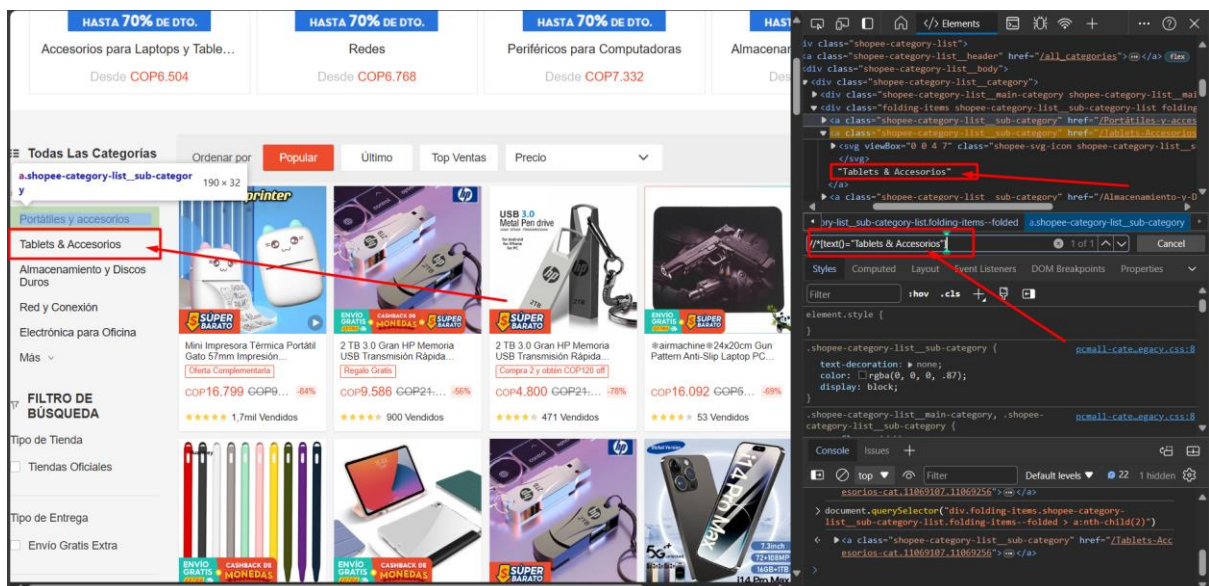

[title*="Bebidas"]

2. Filtrar una sección por su nombre: Filtrar sección -> variable = 'Cool Gadgets'

SHOPPE

//*[text()="Tablets & Accesorios"]

((/*[@class="shopee-category-list__sub-category"])[2]

The screenshot shows the Shopee website interface. On the left, the 'Todas Las Categorías' sidebar is visible, with 'Tablets & Accessories' highlighted. The main content area displays a grid of electronic products, including printers, USB drives, and laptops. On the right, the DOM inspector shows the HTML structure of the category list, with a red arrow pointing to the specific element selected in the sidebar.

ÉXITO

//p[text()='Celulares gama premium']

The screenshot shows the Éxito website interface. The top navigation bar includes the 'éxito' logo, a search bar, and a menu. Below the navigation bar, there's a carousel of mobile phones. A red box highlights the 'Celulares gama premium' link in the carousel. A red arrow points from this box to the DOM inspector on the right, which shows the corresponding HTML structure for the carousel.

3. seleccionar una imagen de forma única.

SHOPEE

[src="https://down-co.img.susercontent.com/file/sg-11134201-7rbk3-los2emxwxix4db_tn"]

The screenshot shows a Shopee mobile app interface. A product listing for a smartphone is visible, with a red box highlighting the product image. A red arrow points from the image to the browser's developer tools, which shows the image's src attribute and a console error.

Product listing details:

- Top banner: **HASTA 70% DE DTO.** Periféricos para Computadoras. Desde **COP7.332**
- Product title: **img.+nCgFX.KbUcCB** 188 x 188
- Product image: A smartphone (I14 Pro Max) with a red box highlighting it.
- Product description: **Teléfono Móvil original I14 Pro** 7,3 Pulgadas 108MP 6800mA...
- Price: **COP243.268** (50% off)
- Rating: 7 Vendidos

Developer tools details:

- HTML: ``
- Styles: `object-fit: contain;`
- Console: `Uncaught (in promise) SyntaxError: "[object Object]" is not valid JSON`

4. Permitir seleccionar un producto cualquiera de forma.

SHOPEE

(//*[@data-sqe="item"])[3]

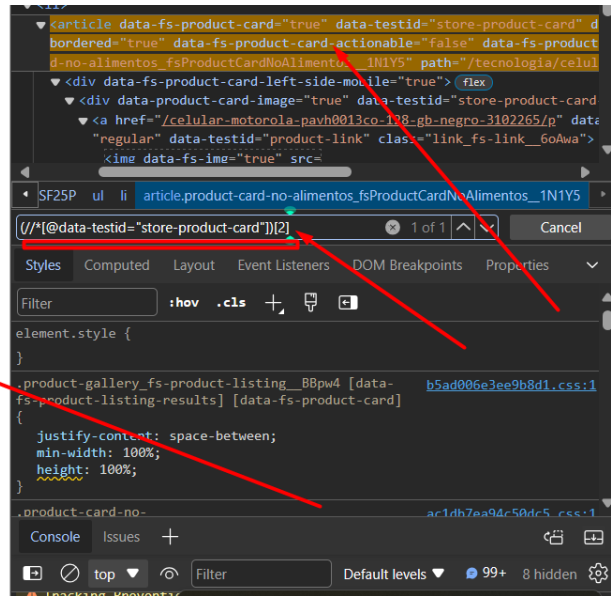

Entonces como es una selección que da varios resultados con los [] se acota el resultado.

The image shows a screenshot of a Shopee search results page. A red box highlights a product listing for a 'Teléfono Móvil original I14 Pro 7,3 Pulgadas 108MP 6800mA...'. The product is a blue smartphone. The price is 'COP243.268' with a '-50%' discount. It has '7 Vendidos' (7 sold) and a 5-star rating. The product name is 'I14 Pro Max'. The image also shows a browser developer tool on the right side, displaying the DOM tree. The selected element is a 'li' with the class 'col-xs-2-4 shopee-search-item-result_item' and the attribute 'data-sqe="item"'. The CSS selector path shown is 'li.col-xs-2-4.shopee-search-item-result_item'. A red arrow points from the text '(//*[@data-sqe="item"])[3]' to the 'data-sqe="item"' attribute in the DOM tree. Another red arrow points from the text 'se acota el resultado.' to the '[3]' in the selector. The console shows an error: 'Uncaught (in promise) SyntaxError: "[object Object]" is not valid JSON'.

ÉXITO

((/*[@data-testid="store-product-card"])[2])

Se realiza lo mismo que en Shopee

5. Permitir del producto seleccionar a través de parámetro el color del producto, la cantidad.

SHOPEE

The screenshot shows the Shopee mobile app interface for a smartphone product. The product is a "Móvil original I14 Pro 7,3 Pulgadas 108MP 6800mAh smartphone 16G 1TB Versión global". The price is COP243.268 with a 50% OFF discount. The quantity is 1, and there are 59956 unidades disponibles. The color selection options are Negro, Azul, Dorado, Verde, and Blanco. The source code highlights the color selection buttons and the quantity input field.

Source code snippet (Color selection):

```
<div class="flex items-center" style="margin-bottom: 24px; align-items: center;">  
  <h3 class="Dagtd">Color</h3>  
  <div class="flex items-center j7HL5Q">  
    <button class="sApkZm SkhBL1 selection-box-unselected" aria-label="Negro"></button>  
    <button class="sApkZm SkhBL1 selection-box-unselected" aria-label="Azul"></button>  
    <button class="sApkZm SkhBL1 selection-box-unselected" aria-label="Dorado"></button>  
    <button class="sApkZm SkhBL1 selection-box-unselected" aria-label="Verde"></button>  
    <button class="sApkZm SkhBL1 selection-box-unselected" aria-label="Púrp"></button>  
    <button class="sApkZm SkhBL1 selection-box-unselected" aria-label="Blan"></button>  
  </div>  
</div>
```

Source code snippet (Quantity selection):

```
<div class="flex items-center" style="margin-right: 15px;">  
  <div class="9m0o30 shopee-input-quantity">  
    <button aria-label="Decrease" class="suQW3X u00pLG"></button>  
    <input class="suQW3X u00pLG" type="text" role="spinbutton" aria-live="assertive" value="1"/>  
    <button aria-label="Increase" class="suQW3X"></button>  
  </div>  
<div>59956 unidades disponibles</div>  
</div>
```

The screenshot shows the Shopee mobile app interface for the same product. The quantity is 1, and there are 59956 unidades disponibles. The color selection options are Negro, Azul, Dorado, Verde, and Blanco. The source code highlights the quantity input field and the 'Añadir Al Carrito' button.

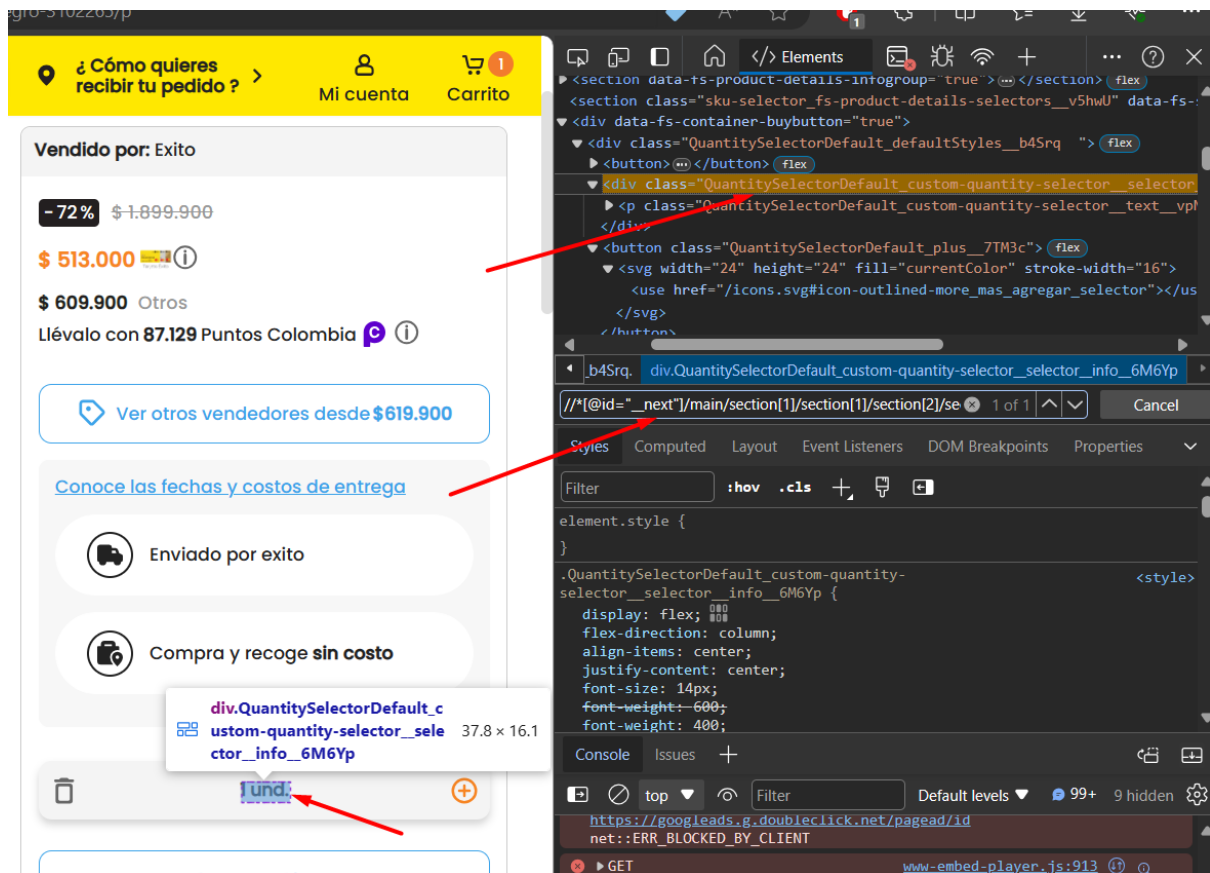

Source code snippet (Quantity selection):

```
<div class="flex items-center" style="margin-right: 15px;">  
  <div class="9m0o30 shopee-input-quantity">  
    <button aria-label="Decrease" class="suQW3X u00pLG"></button>  
    <input class="suQW3X u00pLG" type="text" role="spinbutton" aria-live="assertive" value="1"/>  
    <button aria-label="Increase" class="suQW3X"></button>  
  </div>  
<div>59956 unidades disponibles</div>  
</div>
```

Source code snippet (Añadir Al Carrito button):

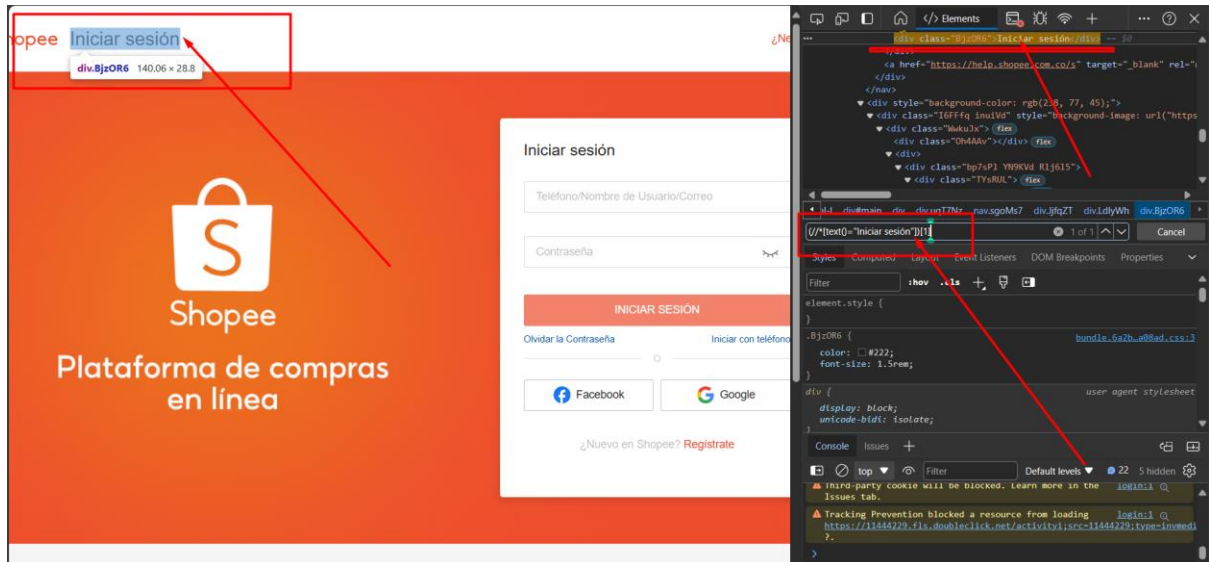

```
<button class="sApkZm SkhBL1 selection-box-unselected" aria-label="Añadir Al Carrito"></button>
